

Once, in a lush forest lived a very greedy Queen Bee. The whole bee kingdom and its guards were not allowed to ask for some

honey from the greedy Queen. The Queen Bee demanded, “Each bee has to give the honey to me.” If the bees didn’t do as she said, the Queen threatened to punish them.

Lama kelamaan semua

Rakyat lebah harus bekerja, sedangkan sang Ratu hanya duduk santai di kursi Ratu. Lebah yang sudah bekerja dengan giat pun tidak diberi upah.
