“Mary! Watch out! Don’t sit!” Josh warned.

Too late! Mary had already laid her butt on her office chair. She quickly stood up and looked around her chair, but didn’t find anything suspicious. Josh couldn’t help but giggle.

“Look at the back of your pants,” Josh said laughing.

There were a few black spots smeared on Mary’s favorite white pants.

“Oh no! What is this???” shouted Mary, panicked.

“He he he..” Josh tried to hold back his laugh. He continued, “It must be cockroach’s poop. Your drawer always invites the cockroaches. The more you hate them, the more they come!”
