

Once upon a time, in a large forest, lived many animals. Stinky the little skunk was taking his third shower that day. Lion was snoozing under a shady tree, while Elephant was cooling off in the clear river. Miss Deer was enjoying her afternoon walk around the forest. Suddenly, she saw that in the place of her favorite resting spot was a big red creature! It was eating more and more of the trees!

Panicked, Miss Deer started shouting, **“RED MONSTER! RED MONSTER!! RED MONSTER!!!!”**

Parrot, who was flying around, heard Miss Deer and started spreading the news.

“RED MONSTER! THERE IS A RED MONSTER IN OUR FOREST!!!!” he squawked.

“Where? Where? Where? I want to see it!” Monkey asked curiously.
