

Bella was collecting seashells, when she found a bottle with a paper inside it.

“John, check this out!” Bella pulled the cork, and took out the paper.

“Cool! It’s a treasure map! I wonder what we’ll find!” John said.

“Let’s go ask Mom and Dad to see if we can go on the treasure hunt,” Bella suggested.

Dad studied the map and said, "Maybe it is only a joke by some boys."

“I don’t think so, Dad. The paper looks old, and drawing is a bit faded, like it was drawn by pirates a long time ago,” John pointed out.
